MAJOR REUNION BEING PLANNED FOR FALL '82 -- Because of the initiative taken by Stuart McEvoy, a graduate of 1957, plans are proceeding to organize a 25th Homecoming Program of huge proportions early in the fall of this year. While the date has not yet been finalized as of this bulletin, it will likely take place on a weekend around mid to end of October.

During the few meetings that have already taken place, it was discovered that other organizations such as the Alumni Association and the Garnet Key Society were formally incorporated in 1957 and the Reunion expanded to include celebrating their 25th anniversaries. Because Athletics won some prestigious championships in that year, some teams will be invited to participate as well. The University has agreed to help out and will no doubt play host at a Reception to greet the alumni who come to the Reunion. Included on the Reunion Committee along with Stuart McEvoy are the following: Ken Adams, André Dumouchel, Magnus Flynn, Alexander Hryshko, Peter Korsos, Godwin Kruitwagen, Norman Manson, Dr. Al Mikalachki, Matthew Ram, Joan Richardson, John Saunders, Dr. Rita Shane, Marisa Vandenengel, and Teresa Vaupshas.
